Important Information

How your plan will change for 2009

This is the time of year when we like to thank you for your membership and let you know of new plan changes for the upcoming year. Beginning January 1, 2009, there will be some changes to our Plan.

You are enrolled in **Medco Medicare Prescription Plan** for Tennessee Valley Authority (TVA) in 2008 and your plan coverage and costs are changing. All changes will be effective January 1, 2009.

This is just a brief summary of the changes in your Plan for 2009. **Make sure to read the next few pages for answers to important questions you may be asking.** If you have any questions, call Customer Service. **Note:** If you are receiving help from your state Medicaid agency or State Pharmaceutical Assistance Program (SPAP), such as a reduced co-payment, these reductions are not reflected in this packet. Please call your state SPAP at the numbers listed in Section 8 if you have questions.

Changes to your monthly plan premium

Your monthly premium for your Medicare Supplement plan includes the Medicare Part D prescription benefit as well as medical coverage. TVA will send you a letter in late October with your 2009 Medicare Supplement premium.

This monthly premium amount does not include any late enrollment penalty you may be responsible for paying (see Section 1 in the Evidence of Coverage (EOC) for more information).

With this notice, you also received a 2009 Evidence of Coverage and a new formulary that will be effective January 1, 2009. Medicare has reviewed and approved the covered drugs listed in the formulary. Please see Section 10 for more information about the drug coverage described in the table above.

This is your Annual Notice of Change

Why am I receiving this information?

We are sending this Annual Notice of Change (ANOC) so you can review the 2009 coverage offered through this Plan. Each year from November 15 through December 31, you may make a change to your Medicare plan and Medicare prescription drug coverage, with your new plan beginning on January 1. Certain individuals, such as those with Medicaid, those who get extra help, or who move, can make changes at other times. **If you want to stay in our Plan, you don't need to do anything. You will still be a member of our Plan for the coming year.**

Note: If you are a member of a State Pharmaceutical Assistance Program (SPAP) or an employer group, you may be required to belong to a specific plan in order to continue to get the additional benefits you may be receiving. Please check with your SPAP or employer before switching to another prescription drug program. The phone numbers for your SPAP can be found in Section 8 of the Evidence of Coverage.

What if my drugs are not on the formulary or are in a more expensive cost-sharing tier?

We have changed our formulary. The new formulary may be different from the one you are using. We have added, removed, or placed more limitations on some of the drugs we cover. Please review the formulary to see if we still cover the drugs that you currently take. To get a complete listing of all the drugs we cover, you may visit our website or call Customer Service.

If a drug we currently cover for you is not on our new formulary, you will need to talk to your doctor about taking an alternative drug that is available on our new formulary. If you wish to continue coverage of your current drug, you or your doctor can request a formulary exception on or after January 1. Beginning January 1, you will get a temporary supply of the drug we currently cover for you that is not on our new formulary. You will need to talk to your doctor about switching to a covered drug, or request a formulary exception before your temporary supply runs out. If a drug we currently cover for you is on our new formulary but has been moved to a higher non-preferred cost-sharing tier, you can talk with your doctor about taking an alternative drug that is available in a lower cost-sharing tier. If you wish to pay the lower preferred cost-sharing amount for your current drug, you or your doctor can request a tiering exception on or after January 1. Please refer to Section 5 in the Evidence of Coverage for instructions on how to file an exception.

What do I need to know if I qualify for extra help (the low-income subsidy, or LIS) from Medicare to pay for my prescription drugs?

If you do qualify for extra help, a copy of your **“Evidence of Coverage Rider for Those Who Receive Extra Help Paying for Their Prescription Drugs”** is enclosed in this package. The **“Evidence of Coverage Rider for Those Who Receive Extra Help Paying for Their Prescription Drugs”** has more specific information on your premiums and cost-sharing in 2009. Read this important information carefully. If you don’t know what level of extra help you qualify for, you can call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Where can I get more information?

The Evidence of Coverage on the following pages has more information on our plan’s coverage, including information on how to make changes to your membership in Section 6.

Please call Customer Service if you have any questions. You can also get information about the Medicare program and other Medicare plans available by visiting www.medicare.gov or by calling 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. TTY/TDD users should call 1-877-486-2048.
